Oh, crap- forgot the fire drill (it's a perfect metaphor, now that I think of it!) Looked like the only time that you, Paula and I had open was 9:30- hopefully that won't be in the middle of the fire drill, but if it is, we'll regroup and meet after. thanks, Tim!

That works great! Maybe 10:30 or right after the fire drill is over? That'll give me more time before the all-hands to get the documents and website ready, etc.

Talk to you soon!

with regard to posting the Pavillion Phase 5 report, which is still not final and which consists of many files, and also the public comments on the draft peer review charge? Would 11 am work for you? I'll check your calendars and send a scheduler. thanks.
